Baxter Enterprises Celebrates 10th Anniversary

Baxter Enterprises has completed its first decade of operation. The company is based in Little Silver, NJ and was founded by Les Baxter, P.E. on July 20, 2001. Mr. Baxter remarked "It's hard to believe that it has been 10 years already. I'm looking forward to the next ten."

Baxter Enterprises provides R&D consulting, engineering design services and expert witness services for various areas of telecommunications. Primary emphasis is on networks and network infrastructure, including structured cabling systems, LANS, optical networks, and residential networks.

Major clients during the past decade include: Avaya, Commscope, EqcoLogic, TC Advanced Technologies, the 1394 Trade Association, C Speed, and Sterlite Technologies. Expert witness clients include the law firms of Kaye Scholer and Cozen O'Connor in New York and King & Spalding in Atlanta.
